Shell Leather Cleaner

Vinyl and Leather protectant and cleaner

Shell Leather Cleaner cleans and protects automotive vinyl, leather and interior auto surfaces and prevents UV damage and cracking. Use of Shell Leather Cleaner will enhance colour and appearance of automotive interior and keeps your car looking like new.

Applications

The product can be used on all parts of the automotive interior where vinyl and or leather surfaces may gather dirt and dust, and be exposed to severe UV rays.

The product can be used on window trims, door trims, bumper bars and door panels. It can also be used on vinyl seats and consoles.

Performance Features and Benefits

- **Slows the aging process of vinyl, rubber and plastic**
Keeps your car looking like new
- **Rejuvenates and refreshes**
- **Removes dust and dirt**
Cleans console surfaces which gather dust and leaves sparkling clean
- **Do not use on glass or clear plastics, or on floor surfaces. Do not use on vehicle controls such as foot pedals. Do not use on tyre surfaces or bench seats where slipping may cause hazards.**

Specifications and Approvals

Suitable for use in all modern automobile applications

Health & Safety

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from your Recochem representative.

Protect the Environment

Do not discharge into drains, soil or water.

Shelf Life

When stored undercover, away from moisture and direct sunlight, this product should be suitable for use for up to three years after the date of manufacture.
