Shell Premium Car Shampoo is a fully biodegradable high finish, excellent cleaning shampoo concentrate for automotive and marine applications including cars, motorbikes, vans, trucks, buses and boats.

---

### Applications

Shell Premium Car Shampoo is recommended for use as a cleaning shampoo for cars, motorbikes, vans, trucks, buses and boats.

### Performance Features and Benefits

- High shine finish
- Pleasant fragrance
- High foaming action
- Suitable for all paint surfaces and metalwork
- Fully biodegradable, and gentle on the skin

### Product Use

Add 100mL of product into a bucket and add tap water to bring the total volume to 5L. Stir briefly until the product is homogenized.

Apply the product onto the vehicle surface generating a high stable foam. Gently rub the solution with a microfiber cloth to remove stubborn grease or dirt.

Wash off with water leaving a sparkling clean finish.

### Specifications and Approvals

Suitable for use in on all automotive and marine paint surfaces and metalwork.

ASTM D 2486    Scrub Resistance of Auto Painted Panels    PASS
