Shell All Interior Cleaner

Vinyl, Rubber, Plastic and Textile cleaner

Shell All Interior Cleaner is an all-in-one, ready-to-use cleaner of tough dirt, grime and dust build-up. It is suitable for all interior automotive surfaces, including rubber, vinyl, plastic and textiles. Use of Shell All Interior Cleaner will enhance colour and appearance of automotive consoles and dashboards and keeps your car looking like new.

Applications

The product can be used on all parts of the automotive dashboard where vinyl, rubber and plastic and textile surfaces may gather dirt and dust.

The product can be used on window trims, door trims, bumper bars and door panels. It can also be used on textiles and consoles.

Performance Features and Benefits

- **Slows the aging process of vinyl, rubber and plastic**
Keeps your car looking like new
- **Rejuvenates and refreshes**
- **Removes dust and dirt**
Cleans console surfaces which gather dust and leaves sparkling clean
- **Do not use on glass or clear plastics, or on floor surfaces. Do not use on vehicle controls such as foot pedals. Do not use on tyre surfaces or bench seats where slipping may cause hazards.**

Specifications and Approvals

Suitable for use in all modern automobile applications

Health & Safety

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from your Recochem representative.

Protect the Environment

Do not discharge into drains, soil or water.

Shelf Life

This product is to be stored undercover, in dry conditions at ambient temperature below 30°C, and away from direct sunlight and possible moisture ingress.

When stored under such conditions, with the cap and packaging remained sealed, then the shelf life of the product is 5 years. Once opened and unsealed, the product should be fully consumed as soon as possible.

Typical Physical and Chemical Characteristics

All Interior Cleaner	Units	Typical
