- **Cleans both glass and metal surfaces**
Safe to use on all glass and metal surfaces and will not etch or dissolve
- **Leaves a pleasant fresh odour**
- **Phosphate free, environmentally friendly**
- **Biodegradable**
- **Simple and “Ready-to-Use”**

Specifications and Approvals

Suitable for use in all modern automobile applications.

Health & Safety

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from your Recochem representative.

Protect the Environment

Do not discharge into drains, soil or water.

Shelf Life

This product is to be stored undercover, in dry conditions at ambient temperature below 30°C, and away from direct sunlight and possible moisture ingress.

When stored under such conditions, with the cap and packaging remained sealed, then the shelf life of the product is 5 years. Once opened and unsealed, the product should be fully consumed as soon as possible.

Typical Physical and Chemical Characteristics

Window Cleaner	Units	Typical
